

THE
WEDDING
GUIDE

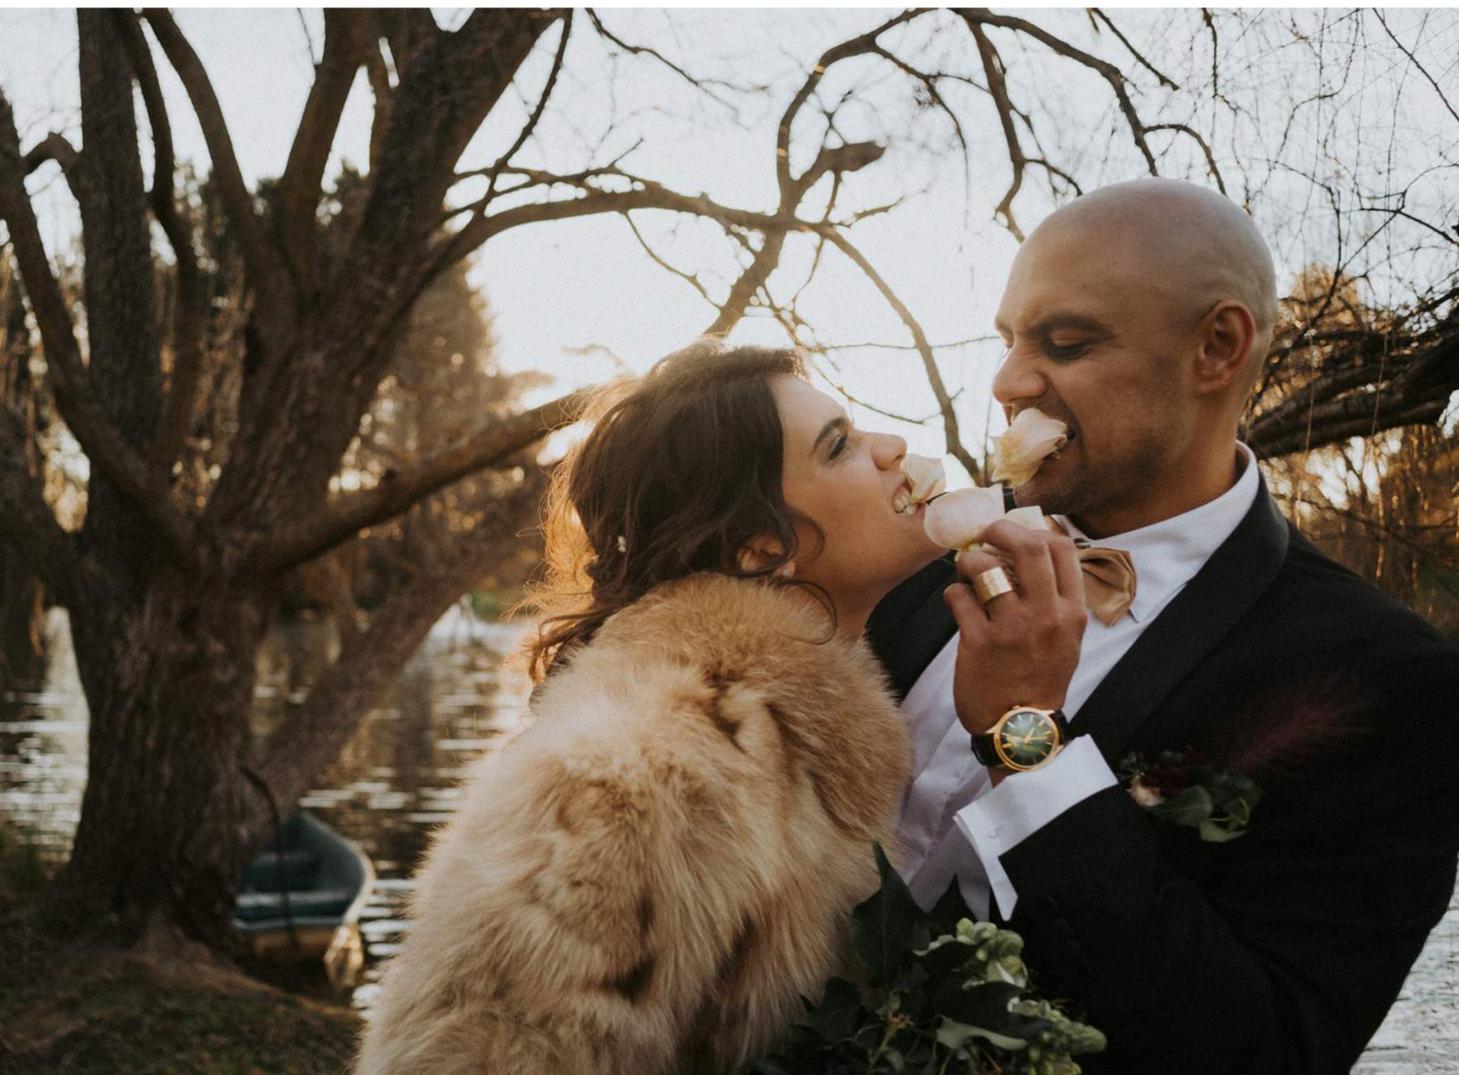

CONGRATULATIONS LOVERS

The truth is your wedding is a once in a lifetime occasion - The two of you are about to start the most challenging, rewarding, exciting, life-changing experience together. And choosing someone to capture that day through photography is a big decision – trust me, I've been there!

Its important you find someone whose work you love, but just as important you find someone who will bring out the best of you both in your photos. It doesnt matter if you love the camera or hate it, we'll have fun and it will shine through your photos.

I'm a lover of adventure, a dreamer, experimental, and a bit of a goofball. I will always do my best to make you feel comfortable and at ease in front of the camera. I wont make you stand and say cheese, but instead I try and create moments and emotion that I can encapsulate. I pride myself on striving to take photos that have feeling.

Its great to meet you! Well... kind of meet you. Hopefully we can meet face to face sometime soon! I'm so thrilled you're considering me for such a special moment in your lives.

FAQ

WILL YOU TRAVEL?

Yes! I would absolutely love to discuss travel details. I won't be trying to make a buck off distance travelled either, I only ask to cover the cost of any travel or accomodation fees... so where are we heading?

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

Technically yes. I'm always happy to accomodate, however your wedding photos will be the ONLY thing you have to remember your day other then your own memories, so I definitely recommend capturing the ENTIRE event, instead of just a couple of hours – but absolutely no hard feelings.

HOW LONG WILL WE HAVE TO WAIT FOR OUR PHOTOS?

Post-processing is the most time intensive part of your wedding as I work hard to ensure every image meets my artistic standard. Every photo is idividually perfected, and is adjusted for things like brightness and optimal color.. or getting rid of that pesky pimple!

CAN I BOOK FOR A BASIC PACKAGE BUT INCLUDE AN ALBUM?

Albums are not included in my basic packages, however I can definitely create one for you as an addition to your package. Wedding Albums are an incredible keepsake to commemorate your day and have a hard copy of all your beautiful images.

WE'RE READY TO BOOK, WHAT NEXT?

AMAZING! I can't WAIT to get to know you and are so thrilled you've chosen me! To book, I just require a signed contract and \$800 retainer (\$500 non refundable). Dates cannot be reserved until this has been received. Contact me today and I'll send you full booking information! Payment plan options are available, always happy to help you reach your goals for your day.
